IDEAL CHOICE FOR FAMILY
TABLE TENNIS TOURNAMENTS

The 300 indoor is a good match for more expensive tables from other brands with its adjustable net and easy folding system. This table tennis table benefits from Cornilleau's COMPACT TECHNOLOGY storage system and patented DSI folding system for ease of use. This model also benefits from leg levellers, corner protection pads and 2 of the wheels have brakes. It is the ideal choice for family table tennis tournaments and is also a popular option for schools.
